## Gowen Field Memorial Park

The purpose of the Gowen Field Memorial Park is "to plan, build, and maintain a memorial to honor Idaho's military veterans and families whose units lineage traces their unit to the Idaho National Guard or Gowen Field. It is meant to honor their duty, loyalty, service, and commitment with the utmost dignity, gratitude, remembrance and reflection deserving of the men and women who, throughout Idaho's history, gave so much and asked for so little in return."

The funds raised from this tournament will be used to help fund the second phase of my eagle project which is the construction of a new central plaza at the memorial park. The plaza consists of a brand new fountain, pavers engraved with the names of veterans and a large, black granite wall honoring the men and women who sacrifice everything to protect our nation and our freedoms.
