10 Last pillar arriving at the Museum.

11 The last pillar is lowered into place at the *Idaho Military History Museum*

The contractor still has a bit of concrete work to do before the pillars will be unveiled. An updated photo will be posted as soon as it is available. **The contractors donated their time, equipment and material to this project and we thank them for all their efforts.**

The contractors who moved the pillars were **Cristabol Construction, Crane West Inc., Perkins Construction Inc., HardRock Excavating Inc.**
